

MC1 Investco Scout

Investco Scout is an investment research company. Create the ER diagram for the Investco Scout Funds Database, based on the following requirements.

- *The Investco Scout Funds Database will keep track of investment companies, the mutual funds they manage, and securities contained in the mutual funds.*
- *For each investment company, Investco Scout will keep track of a unique investment company identifier and a unique investment company name as well as the names of multiple locations of the investment company.*
- *For each mutual fund, Investco Scout will keep track of a unique mutual fund identifier as well as the mutual fund name and inception date.*
- *For each security, Investco Scout will keep track of a unique security identifier as well as the security name and type.*
- *Investment companies can manage multiple mutual funds. Investco Scout does not keep track of investment companies that do not manage any mutual funds. A mutual fund is managed by one investment company.*
- *A mutual fund contains one or many securities. A security can be included in many mutual funds. Investco Scout keeps track of securities that are not included in any mutual funds.*
- *For each instance of a security included in a mutual fund, Investco Scout keeps track of the amount included.*
